Dr Ashita and Deepak Singh

## Madhepura Christian Hospital

A charitable Society situated in one of the most backward districts put the film India, working together for the transformation of Madhepura and eventually Bihar.

Dr . Arpit Mathew

## Madhepura Christian Hospital Bihar

- not-for-profit hospital under EHA
- Community Department has wide-ranging work in varied areas like trafficking, livelihood support, children at risk and disaster management.
- A village health clinic network that takes healthcare to mahadalit communities throughout the district.
- SRISHTI Community College provides skill training for impoverished youth
- RCTC farms utilise small, though pristine campus for organic farming and animal husbandry.

Unit of Immanuel Hospital Association EHA.

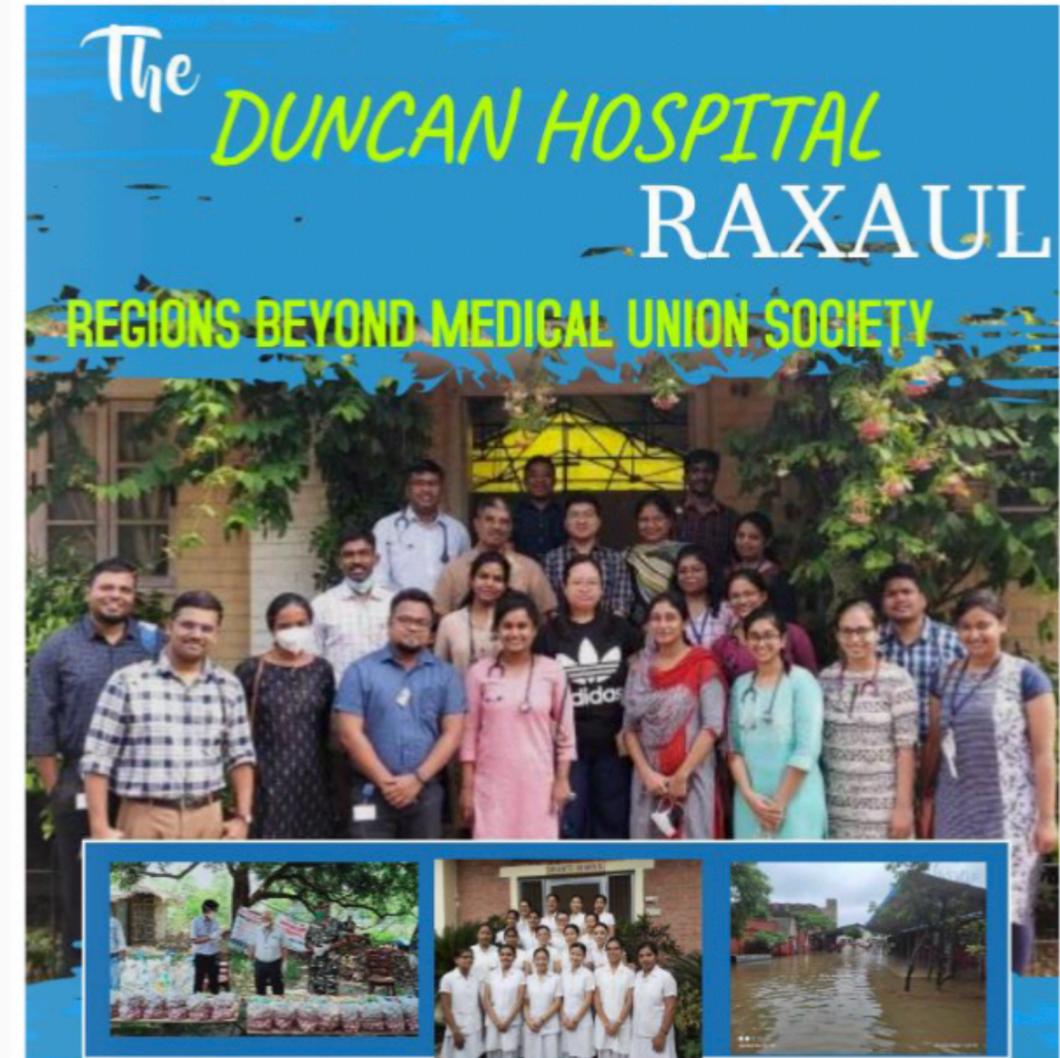

VISION: In step with the Master

MISSION: The Duncan Hospital is part of a fellowship of individuals and institutions that exists to transform communities through caring, with primary emphasis on the poor and marginalized.

MD: Dr. Prabhu  
[duncanhospital-eha.org](http://duncanhospital-eha.org)

## CORE VALUES

- to be transformed people and fellowships
- model is servant leadership
- value teamwork
- exist the poor and marginalised
- strive for the highest possible quality services
- maintain integrity at all levels
- strive to be transparent organisation
- focus on accountability

## Prem Jyoti community hospital Barharwa

started in 1996

unique partnership between three major Indian mission agencies

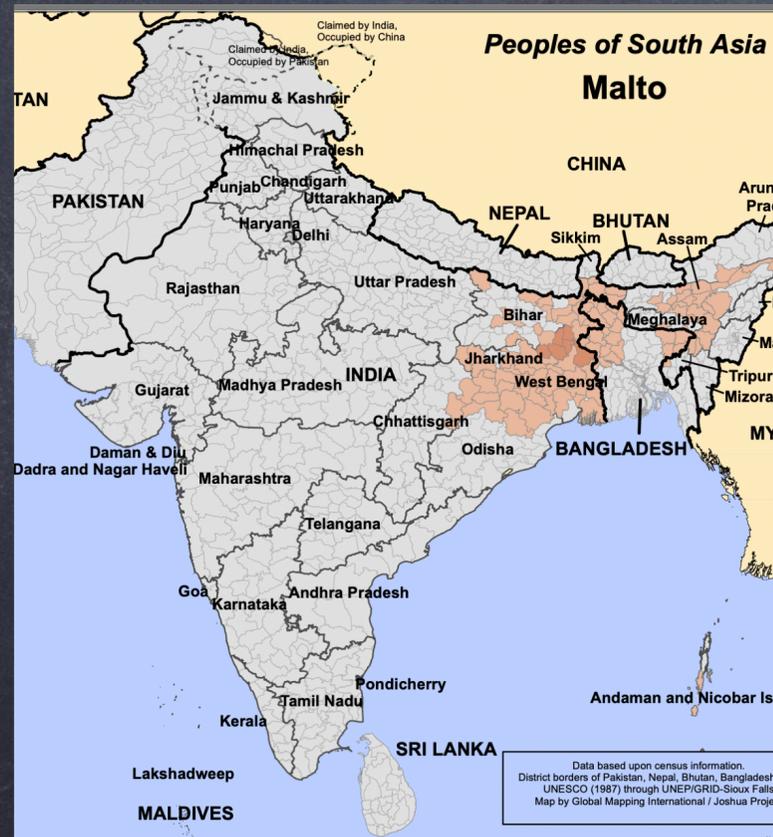

1. Friends Missionary Prayer Band (FMPB)
2. Evangelical Fellowship of India Commission on Relief (EFICOR)
3. Emmanuel Hospital Association (EHA)

Malto tribals - a diminishing tribal group, in the northeastern corner of Jharkhand.

peripheral clinics and a hospital.

Since 2011 the focus has broadened beyond health to address the social determinants of health

[prem jyoti@eha-health.org](mailto:prem jyoti@eha-health.org)

Anita Malto was a lady who was diagnosed to have severe anemia and kala-azar and had a child who was severely malnourished (weighing only 1.5 Kgs). She was brought by one community health volunteers (CHV) named Mariam.

If it was not for Mariam, this lady would have died along with the baby. Mariam herself is from the Malto tribe who was trained to be a CHV.

## Nav Jivan Hospital in Tumagara Satbarwa

Nav Jivan Hospital was started in 1961 by Mennonite Missionaries. It is a 100 beds hospital and serves the poor and marginalized from Palamau and Latehar districts in Jharkhand

The image shows two signs for the Christian Hospital Chhatarpur. The top sign is blue with white text and a cross icon, reading 'CHRISTIAN HOSPITAL CHHATARPUR' and 'क्रिश्चियन अस्पताल छतरपुर'. Below it is a white sign with a cross icon and the text 'CHRISTIAN HOSPITAL'.

## Christian Hospital Chhatarpur

healthcare facility that provides compassionate care to the community around for more than 80 years. It was started in 1930 by missionaries from Friends Foreign Missionary Society, to serve the needy women and children in the backward Bundelkhand region of Madhya Pradesh

# Landour Community Hospital Mussoorie

It is situated in the hills of Mussoorie in Uttarakhand

## Lakhnadon Christian Hospital Madhya Pradesh

It is situated in Seoni district in Madhya Pradesh 85 kms from Jabalpur.

# Udupi CSI Lombard Memorial Hospital
